

SQUALL BV555INSCT

400g Insulated Composite Toe Boot

Belleville introduces the ultimate military boot for protection in cold weather operations. The TAA-Compliant SQUALL features Vibram's breakthrough Arctic Grip wet ice technology; which provides superior grip and traction on icy and snowy surfaces. A 400-gram insulation package, integrated waterproof membrane, and composite safety toe make the SQUALL the go-to choice for flight line and maintainer operations.

HEIGHT:	8" (Standard Military Height)
UPPER:	100% waterproof cattlehide leather & nylon fabric
OUTSOLE:	100% rubber VIBRAM® Arctic Grip specifically engineered and designed to perform on wet ice and improve grip on cold, icy or snowy surfaces
INSOLE:	Thick, single density molded removable insert

SPECIAL FEATURES:

- > Spacious, non-metallic composite toe is lighter weight than traditional steel toe and does not conduct heat or cold
- > Composite toe meets ASTM F2412-24 and F2413-24 standards
- > 400g Cosmo Therm™ insulation to offer cold weather protection without added bulk
- > Waterproof and bloodborne pathogen proof membrane
- > TAA Compliant
- > AR 670-1 Compliant
- > AFI 36-2903 Compliant
